'Glory of Donard'

Dr E. Charles Nelson is Taxonomist, National Botanic Gardens, Glasnevin, Dublin, and President of the Northern Ireland Heritage Gardens Committee.

Mrs Evelyn Deane is the youngest daughter of Leslie and Ruby Slinger.

The Northern Ireland Heritage Gardens Committee was established in 1980 as an informal working party. Membership has been expanded to include individuals with expertise in horticulture, conservation and management of historic gardens, and others with knowledge of the history of gardens in Northern Ireland. The committee members serve in their own rights in a voluntary capacity.
